Plan to improve:

- 1. Hired a full-time instructional coach to help teachers improve instruction.**
- 2. Hired a specialist to support teacher assistants with progress monitoring. Implementation of interventions from the start will help us identify what is working and needs to improve.**
- 3. Implement with 100% fidelity progress monitoring weekly for students well below grade level (REDS), twice a month for students performing below grade level (YELLOWS), and monthly for students at or above grade level.**
- 4. Identify areas of need and provide tutoring in small groups or individually.**
