MINUTES

1. Welcome and introductions by Chair, Angelica Campas.
2. Chair Angelica Campas asked for questions or corrections to the minutes, which were on the website. Seeing none, Chair Campas ask for a motion to approve the minutes. Vice Chair Ivonne Medina made a motion to approve the minutes and Member Elizabeth Chacón seconded the motion. All members voted to accept the minutes as written unanimously.
3. Mr. Alejandre presented the principal's report.
   A. Mr. Alejandre discussed the fact that our school is full for 2025-2026. In fact there are 597 students fully registered and the school has a maximum limit of 575. However, we can accept up to 592 with the 3% allowance. There are too many 6th grade students registered (66) but only 60 can be enrolled. The school may need to implement a middle school levels, which means that teachers will be subject teachers (math, ELA, science) instead of grade level teachers. That will create some issues with faculty currently hired.
   B. We currently have 32 students in the waitlist.
   C. Kinder has 87 students fully registered.
   D. NEW BUILDING UPDATE. The price of the building has sky-rocketed. The price started at 2.9 and now the price stands at 3.9 million dollars that is more than 33% increase. The board has three options. 1. Accept the increase and move forward. #2. Delay the project #3. Buy trailers. We do not know which option they take when they meet soon.
4. Calendaring
   A. College and Career readiness will be tomorrow.
   B. Teacher appreciation is next week and members want the school to advertise because little information was sent out last year.
5. Home visits were held in all classes, but one 3rd grade class.
6. No Title I issues - No audits planned, except for one received recently for the APPEL Program for teachers.
7. Since some members will absent on May 19th, the decision was made to hold the meeting on Friday, May 23, 2025 at Cielito Lindo.

8. The meeting adjourned at 10:33am
