by law, nor are the USBE, or the SCSB responsible for the outcome or the liability associated with any decision the Charter School makes based on such assistance; and

WHEREAS, the Parties recognize and agree that the Legislature may amend the Act or any other governing or applicable statute and the USBE may promulgate rules which shall be binding on the Parties as to matters agreed to hereto and such amendments to statutes, or rules shall automatically become part of this Agreement and amend or supersede anything that has otherwise been agreed to herein.

SECTION 1. ESTABLISHMENT OF THE CHARTER SCHOOL

- 1.1 The Charter School. The SCSB, as an Authorizer under U.C.A. §53G-5-202(1)(a) hereby authorizes Applicant to establish a charter school pursuant to the Act and this Charter Agreement.
- 1.2 Charter Agreement⁴. This Charter Agreement is a legally binding document⁵ and consists of this signed Agreement, including all attachments, specifically, Exhibit “A,” and all applicable State and Federal statutes, regulations, and rules, as each may be amended from time to time. In addition, incorporated by reference are all USBE rules unless specifically waived pursuant to U.C.A. §53G-5-405.

For purposes of interpretation, these governing authorities shall be construed consistently but in case of a conflict, they shall be given precedence in the following order: first, State and Federal statutes and regulations; then USBE rules and SCSB policies; then this Agreement including all exhibits and attachments.
- 1.3 Compliance with Laws, Regulations, and Rules. The Charter School, through its Governing Board, shall comply with all applicable state and federal laws, regulations, and rules⁶. Neither the SCSB nor the local board of education assumes the duty to oversee the operations of the Charter School except as may otherwise be provided by law or separate contract.
- 1.4 Other Rules. The USBE or its designees are authorized by statute to develop and implement additional rules for administering Utah’s charter schools program.⁷ Such new or additional rules are incorporated herein by reference and all amendments thereto, with or without notice, when they are duly enacted or promulgated as provided by law.⁸

SECTION 4. CHARTER REVIEW

- 4.1 Reviews. In keeping with the requirements of U.C.A. §53G-5-202(1)(b) the SCSB will perform at least an annual review (more often as the need arises as determined by the Authorizer) and evaluation of the performance of the Charter School and hold the Charter School accountable for its performance. To facilitate the annual or any other review the School shall maintain the necessary records to provide the following:
- a. Annual Performance Report.²⁶ In keeping with the purpose of the Utah Charter Schools Act, the State Charter School Board will produce for public distribution an annual report that provides clear, accurate, performance data for the Charter School according to the frameworks set forth by the SCSB, and those found in Exhibit “A,” as well as reporting overall portfolio performance.
 - b. Documentation. The Governing Board shall maintain all documents used to determine and support data used to prepare the annual report provided in subsection 4.1 a., and shall submit such additional documents as the SCSB may request.
- 4.2 Review Process. The Charter School review process will be guided by the following core 4.3 questions, and by the purposes, and School Accountability Measures found in Exhibit “A”:
- Is the School’s academic quality successful as represented publicly and as described herein?
 - Is the School’s organizational structure, governance, and financial position viable and sustainable?
 - Have there been any material misrepresentations made to the Authorizer or the public?
 - Is the School demonstrating good faith in following the terms of its Charter Agreement and all other applicable laws, regulations, and rules?
- 4.3 Intervention. The SCSB will establish and make known to the Governing Board, consistent with USBE rule,²⁷ the general conditions that may trigger a “Notice of Concern,” “Letter of Warning,” or “Probation,” as provided below. The SCSB will provide to the Governing Board clear, adequate, evidence-based, and timely notice of law, rule, regulation, or Charter Agreement violations, or performance deficiencies and allow the Governing Board reasonable time and opportunity for remediation in non-emergency situations. Where intervention is needed, the SCSB will engage in intervention strategies that preserve Governing Board autonomy and responsibility (i.e., identifying what the school must remedy without prescribing solutions), but may take additional action as the circumstances, and exigencies dictate.

²⁶ U.C.A. §53G-5-202(1)(b)

²⁷ U.C.A. §53G-5-501(5)

- a. Notice of Concern. Staff may issue a “Notice of Concern” addressed to the Governing Board outlining areas of concern.
- b. Letter of Warning. SCSB may direct staff to issue a “Letter of Warning” addressed to the Governing Board identifying deficiencies and providing a timeline by which the deficiencies shall be remedied. The terms of the letter and the consequences associated with the warning will be those found in the letter. In addition, the SCSB may provide focused support to the Charter School, including assigning a mentor and on-site monitoring.
- c. Probation. SCSB may direct staff, before termination of this Charter Agreement for a material breach thereof, to place a School on “Probation” for such period of time, up to one year, or such other time period as may be appropriate or established by rule, necessary for the School to be able to establish its ability to comply with all of the terms and conditions of this Agreement and all controlling laws, regulations and rules. The SCSB will provide notice of such probation and the terms of that probation in a letter provided to the Governing Board. In addition, the SCSB may provide focused support to the Charter School, including assigning a coach, providing professional development, and analysis of monthly written updates provided by the Charter School governing board and key administrators.
- d. Additional Actions. In addition to a Notice of Concern, Letter of Warning or Probation, and where the Charter School has not remedied deficiencies within the timeframes established by the SCSB, the SCSB may pursuant to U.C.A. §53G-5-501:
 - 1) remove a Charter School director or financial officer, or their equivalent positions, and without consideration of the School’s corporate formalities;²⁸
 - 2) remove a governing board member, without consideration of the School’s corporate formalities;²⁹ or
 - 3) appoint an interim director, who will replace or act in the place of the director, or mentor to work with the Charter School.³⁰
- e. Termination of Charter. SCSB may terminate this Charter for those reasons provided in state law, USBE rule, or for material breach of this Agreement³¹ subject to the right of appeal as provided in U.C.A. §53G-5-503.

In addition, the Governing Board may voluntarily terminate this Agreement.³² In the case of any termination whether it is voluntary, or initiated by SCSB action, and after the settlement of all outstanding obligation from the assets on hand, there is a presumption

that the property of a School shall revert to the SCSB.³³ A School may defeat the presumption of SCSB ownership with documentation that the School purchased the property with private funding, and compelling documentation exists that the School or its founders or directors were never reimbursed from public funds.

SECTION 5. MISCELLANEOUS

- 5.1 Indemnity. The Charter School agrees to indemnify and hold harmless the USBE, SCSB, and local boards of education, their officers, agents, employees, successors and assigns from all claims, damages, losses and expenses, including attorney's fees, arising out of or resulting from any action of the Charter School caused by any intentional or negligent act or omission of the Charter School, its officers, agents, employees, and contractors.

Exhibit A

1. Name of the charter school: **Esperanza Elementary**
2. Charter school applicant: **Generación Floreciente**
3. Location: The charter school shall be established in **West Valley City**, located within the **Granite School District**, which is material to its authorization.
4. Mission statement: **Esperanza Elementary provides the environment that fosters what each student needs to become biliterate, multicultural, and to acquire the skills and attributes needed to effectively serve in our local and global community. Esperanza welcomes students of all backgrounds and ethnicities. Esperanza values a diverse school community. Esperanza's school design helps all students to be academically successful.**
5. Purpose(s) of the charter school:
 - A. **Continue to Improve Student Learning:** A formidable achievement gap exists in Utah, and the nation in general, between White and non-White students. Hispanic students consistently score 20 to 30 points lower than White students. A similar achievement disparity exists between low-income and non-low-income students. Esperanza Elementary learning environment is a dual language immersion program which shows great promise in narrowing and eliminating academic achievement disparities.
 - B. **Encourage the Use of Innovative Teaching Methods:** Dual language immersion is Esperanza's instructional program. This program—and the school community—are supported and enhanced by two powerful philosophies. William Purkey's Invitational Education principles and William Glasser's Quality School theory is infused into the pedagogy as well as all relationships in the Esperanza school community.
 - C. **Create New Professional Opportunities for Educators:** There is time allotted for vertical grade level meetings as well as horizontal grade level meetings for educators to share what they have learned and to make plans to incorporate the strategies in their classrooms. To strengthen the commitment of educators to incorporate what they have learned all educators, as part of the professional learning community, participate in the following:
 - o Mentoring—Those who have had more experience/knowledge and have attended the mentor workshop are asked to mentor others in the school
 - o Each educator keeps a reflective journal
 - o All educators participate in instructional coaching.
 - D. **Increase Choice of Learning Opportunities:** While there are strands of dual immersion at monolingual schools in the Salt Lake Valley, these models are 50/50 in which students receive equal time in each language from the beginning of the program. Esperanza Elementary's dual immersion program is a 90/10 model and involves instructing students in their first language about 90% of the time in the early grades and moving to nearly equal time in each language by fourth grade. One advantage of our model over these is that students have a greater likelihood of becoming truly bilingual and biliterate.
 - E. **Establish New Models That Emphasize Measurement with Creative Tools:** The outcome that matters is student achievement. Therefore, our focus on assessment is to use the data gathered from assessments—formative and summative-- to improve instruction, not to punish students, teachers, or the school. All students are assessed in both languages at all grade levels to measure language growth.

F. Provide Opportunities for Greater Parental Involvement: Esperanza’s Bylaws require that two members of the Board of Directors be parents of children currently enrolled in Esperanza; one a native-Spanish speaker, the other a native-English speaker. These parent members are chosen by the school’s parent organization. Family involvement will be encouraged and supported through a variety of strategies that respect that community’s cultural norms, including a Spanish-speaking parent liaison, a Parent Room at the school, communication in both Spanish and English, and an annual survey.

6. Key elements of the charter school:

A. Esperanza’s Comprehensive Program of Instruction is built on the following foundational pillars: **Invitation Education, Best Teaching/Learning Practices, and a Community Learning Center School.**

B. **Invitational education** is that everything we do is inviting and built upon trust, respect, optimism, care, and intentionality. The five Ps (people, places, processes, policies, and programs) must be intentionally addressed if a school is to be inviting. To increase relationships, Esperanza employs “looping” (students staying with the same teacher for 2-3 years).

C. Esperanza Elementary employs **best teaching and learning practices**, such as:

- i. The CREDE Five Standards for Effective Pedagogy and Learning
- ii. 90/10 Dual Language Immersion that results in Bilingualism, Billiteracy, and multicultural competence and is based on Guiding Principles for Dual Language Education
- iii. Features of TWIOP (Two-way Immersion Sheltered Instruction Observation Protocol), such as thematic teaching, cooperative learning, scaffolding, differentiated instruction, “bridging” languages, flexible grouping, and other sheltered strategies.
- iv. Reading instruction is based on Balanced Literacy principles with modifications for students who are learning bilingually.
- v. All students are provided a multicultural education.
- vi. Civics Education, Service Learning, Social Action, and Character Education are incorporated from K-6 in order to complement each other.
- vii. All students participate in learning chess starting in kindergarten.
- viii. All students participate in learning to play an instrument in 4th, 5th, and 6th grades.

D. Over time, Esperanza Elementary will develop as a **Community Learning Center school** that supports family and community engagement, while offering such services as quality after school programs and classes for parents in Spanish, English, and parenting.

E. Esperanza maintains a large enough student population to offer all programmatic elements listed in the approved charter application.

F. Distance and/or online education, as defined by the Utah State School Board, will **not** be offered.

7. School year start: **2014-2015**

8. Grade levels and maximum enrollment:

Operational Year	Grades	Total Enrollment
1	K-6	390
2	K-6	450
3	K-6	475
4	K-6	500
5 and beyond	K-6	525

9. Enrollment preferences provided:

- A. children or grandchildren of founding parents,
- B. children or grandchildren of the governing board,
- C. siblings of students currently or previously enrolled,
- D. children of school employees.

10. Structure of governing board:

- A. Number of board members: **5-12**
- B. Appointment of board members: **The board shall elect directors by the vote of a majority of the directors.** Two directors shall be parents of currently enrolled students and selected by the parent organization. One parent director shall be a native-Spanish speaker; the other parent director shall be a native English speaker. One teacher elected by the teaching staff shall be a non-voting director.
- C. Board members' terms of office: **Three years.** Directors may be elected for successive terms.
- D. Meetings: Regular meetings, not less than **seven (7) per year.** Meetings of the board shall conform to the Utah Open Meetings Act.

11. Administrative rules waived (if applicable): **NONE**

14. Student Engagement: Defined by the SCSB, as required by rule and statute. School will be held to the approved Charter School Performance Standards (subject to update and revision).

15. Financial and Governance Measures: Defined by the SCSB, as required by rule and statute. School will be held to the approved Charter School Performance Standards (subject to update and revision).
