

**Esperanza Elementary School**  
**School Buses & Day Care Centers**  
**Student Pick-Up Process**

*(Starting on March 3, 2025)*

All school buses and daycare centers picking up students after school will have three options starting on March 3, 2025.

**Option #1**

Remain in the traffic line, with all other parents waiting to pick up students.

**Option #2**

Starting on Monday, March 3, 2025, school buses and day care centers can enter the employee parking lot. A school employee will be there to help find the students and call them to the buses.

**Option #3**

All parents, school buses, and day care centers always have the option to park in the parking near the restaurant and walk to the school to pick up their students.
